Dan,

Looks like I've got about 8 letters in from the CDs. Happy to share these, but please submit a FOIA request at the link below so they will be available to anyone that wants to see them.

Subject: DEQ's Categorical UAA for Recreation

Hi Tonya,

I discovered recently that the Campbell County Conservation District sent a letter to EPA opposing the Wyoming Outdoor Council's letter. I have since received a copy of that letter, but I'd like to request copies of any other correspondence EPA has received that could be regarded as support for the DEQ's UAA and/or opposition to the letter submitted by the Wyoming Outdoor Council. Have other conservation districts, the WACD or any agency, department or branch of the State of Wyoming submitted letters to EPA?

Thank you in advance for your consideration.

Dan
